EMPLOYEE TRANSITION SOLUTIONS

## THE CHALLENGE:

Transitioning an employee, whether for restructuring or for cause, is challenging and very stressful, and may be damaging to your business. Delivering news of a termination to an employee is one of the most disheartening tasks in business.

## OUTPLACEMENT SOLUTIONS

CareerPlace offers outplacement solutions to help manage employee terminations and individual or mass layoffs.

### CAREER ASSESSMENT

Create an asset inventory of key skills and competencies to help take the next step along a personal career path.

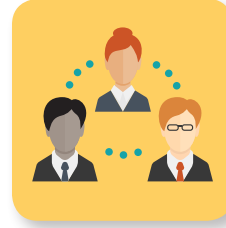

### RESUME DEVELOPMENT

Develop a winning resume that showcases professional achievements.

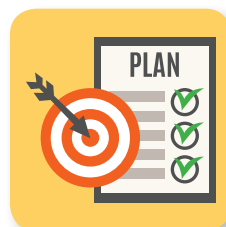

### DEDICATED CAREER COACH

A committed team of career coaches offer personalized attention needed to achieve career success.

### PEER SUPPORT

A peer support network builds confidence and positive results.

### CAREER GUIDANCE AND SUPPORT

Develop strategies and action steps to forge ahead in a rewarding career path.

### CHANGE MANAGEMENT

Change management support techniques can help reduce exposure to litigation.

## OUTPLACEMENT LEVELS

CareerPlace is a nonprofit organization with a sole mission to help workers build skills and advance along a career pathway. We offer effective outplacement packages at various tax deductible\* annual contribution levels.

### PLATINUM

Receive a customized outplacement package suited to your workforce. We offer flexible solutions and personalized support to accommodate even the urgent or complex staffing challenges. Ask us for a custom quote!

### GOLD

An annual contribution of \$2,500 will enable you to refer three displaced employees during the first year. You will also receive two targeted priority job placements for specific openings and our client resource summary report listing of new talent that might fit your needs.

### SILVER

A contribution of \$1,000 covers your first outplacement referral during the first year. The cost for each additional employee during the year is \$900. You will also receive our client resource summary report listing of new talent that might fit your needs.
